Your Wedding Stationery

We are able to offer you a personalised wedding service, where you can indicate your choice of design, to match both your personal taste and the style of your wedding, whether the theme is traditional, romantic or contemporary.

Wedding Invitations

Firstly consider your Wedding Invitations. These should be sent to each guest or family at least 6-8 weeks before the wedding, to allow plenty of time for replies to arrive and the number of guests to be finalised. It is helpful to order a few extra copies for any additional guests or alterations to your original guest list. Whether you are having a church or civil wedding, we can make your Invitations as formal or as informal as you like.

Evening Invitations

These can be sent to guests you wish to invite to the evening reception or party, who may not be going to the wedding ceremony itself.

Reply Cards

These can be sent out with your invitations to encourage your guests to reply promptly. They can also be printed with menu choices for guests to complete, which can help with catering arrangements. Self-addressed envelopes can also be provided.

Additional Information

Parking The church does not have a car park so please park at Harptree Court. You might like to allow an extra 15 minutes to park and walk to the church. You are welcome to drop guests off at the church and follow signs back to parking at Harptree Court.

Confetti We have an abundance of dried rose petals which will be available on the day (the church does not allow paper confetti).

Accommodation A detailed list is available at myweb.tiscali.co.uk/harptreecourt. Alternatively, if you would like to camp in the grounds of Harptree Court you are most welcome but please let Linda know in advance. Showers, hairdryers and breakfast will be available at the house on both Saturday and Sunday mornings for anyone camping. To contact Linda about camping or any other accommodation queries please email wedding@harptreecourt.co.uk or phone 01761 221729.

Taxis If you are going to book a taxi or minibus back to your accommodation we recommend you use Nick Branch (01761 221519) or Sandra Marsh (01761 221257).

Wedding List The most important thing to us is that you come to our wedding however for those who would like to buy us a gift there is a list at John Lewis (388094) available from 12th June.

Please look on our website for more detailed information myweb.tiscali.co.uk/harptreecourt

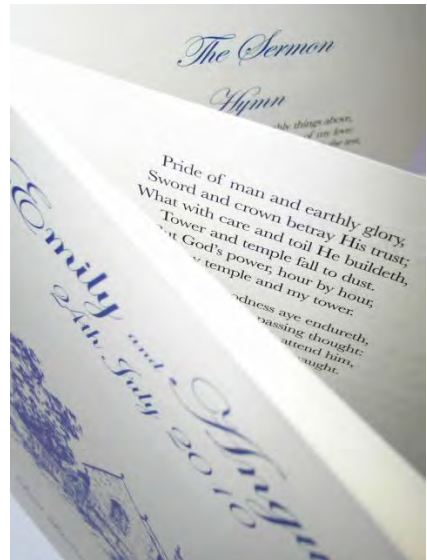

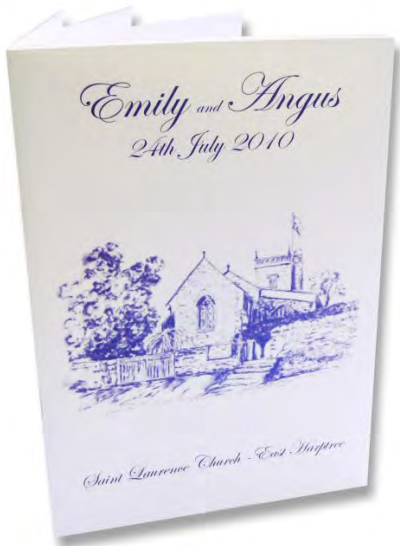

Maps and Information Sheets

We are happy to design these, which often include location details of the wedding ceremony, reception, local accommodation and special arrangements e.g. details relating to the wedding present list.

Order of Service

If you are getting married in church or other religious establishment, you will need an Order of Service to provide guests with a programme of the ceremony. We recommend that you allow one copy per guest with a few extra for the clergy, choir and unexpected members of the congregation. Please check the details for the service, including hymns and music with your minister or priest before ordering. Order approximately 1-2 weeks before your wedding, once arrangements for the day have been finalised.

Blessing of the Marriage

For weddings that have not taken place in a church or other religious establishment, but are to be blessed formally, you may choose to have your Order of Service created with a specific Blessing wording.

Order of the Day

If you are having a civil ceremony, you may like to provide an Order of the Day for your guests. As well as details of the civil ceremony, you can also include timings for photographs and the reception/party if applicable.

Place Cards and Table Plans

We can supply place cards, which is the simple way of seating your guests quickly. We can even personalise your place cards with the name of the bride and groom, or we can even individually name the cards for each guest. Table plans can be produced a few days before the wedding, once final numbers have been confirmed.

Menus

Continue the theme of your wedding with an attractive co-ordinated menu - the finishing touch for your wedding table, as well as a beautiful keepsake. Order one for each guest if you are having a sit down meal or a few for each table if you are having a buffet.

Small Lottery Ticket Holder

Tags for your Favours

These can be printed with a special message, names of the Bride and Groom and the date of the wedding. Some couples even give each guest a lottery ticket, which can be placed in a small folder designed and printed by ourselves.

Phrase Cards

These are sometimes used when the bride and groom have guests speaking more than one language. This touch also adds a little humour to the proceedings.
